

Another year and an even bigger success; Owl Prowl 2009 was a big hit attracting a crowd of 50+. Onlookers marveled as *Wildside Rehabilitation and Education Center* presented owl after owl of nightly entertainment, and even though the only calls we heard that night were coming from a loud speaker, the hike couldn't have been more fun. From pizza and hot coco to owl pellet dissections and a moonlit hike, this great night provided something for everyone. Thank you all for coming and for those who couldn't attend we hope to see you next year.

Sincerely,  
You're Friends at Woldumar
