

CAMP SCHOLARSHIPS

Woldumar's summer camps not only focus on environmental and outdoor education, but also help children stay active and engaged throughout the summer months. Statistics show that all children benefit physically and emotionally by spending quality time outdoors. We strive to provide every child with the opportunity to explore and discover at Woldumar Nature Center. We understand that in the current state of the economy families have to make difficult choices. We want to help by offering assistance to make sure all children can still benefit from a week (or more) outdoors at one of Woldumar's summer camps.

Thanks to RE Olds Foundation, Garden Club of Greater Lansing, and Renee and Robert Swanson for donating to the Scholarship Fund. Their generosity ensures children in this community can have quality experiences in the "Great Outdoors".

Scholarships are awarded based on need and may provide financial assistance of 50%, 30% or 20% of the total camp fees. Please fill out the attached application and registration forms and return them as soon as possible. We will be accepting applications throughout the summer or as long as funds remain available.
