

# WINTER BREAK CAMP

---

**DECEMBER 27 - 29**

**&**

**JANUARY 2 - 5**

---

**Camp Discovery offers a winter break camp for kids from K-6th grade, providing an opportunity to explore nature while avoiding cabin fever. Participants should bring lunch, a refillable water bottle, and gear appropriate for Michigan's weather. Drop-off is at 9:00 am, and pickup is at 4:00 pm.**

## SESSION THEMES:

### **Dec. 22 & 23 | Cabin Exploration**

We'll visit the Moon cabin and get warm by the wood stove as we take a glimpse into the life of late 1800's settlers. We'll make our own corn husk dolls and spend time playing and exploring outside.

---

### **Dec. 29 & 30 | Wilderness Survival**

We learn how the animals and plants are withstanding the cold Michigan weather as we prepare to set out on our own (hopefully) snowy adventures!
