Mandatory training June 3-7. **Starting wage \$16/hr**, commensurate with education and experience. Paid time off, full season bonus may be available. CPR/First Aid/AED training provided. **2024 base wage is provided by a grant awarded by the Michigan Department of Lifelong Education, Advancement, and Potential in partnership with the Michigan Department of Education.*

RESPONSIBILITIES:

1. Supervise groups of children 4-15 years of age in a wooded day camp setting.
2. Assist in the supervision of teen participants including Counselors in Training, Junior Counselors, or interns.
3. Develop and implement activities involving nature study, environmental education, outdoor living skills, arts and crafts, music, and outdoor recreation as they relate to weekly themes.
4. Lead large group/all camp activities and special camp events.
5. Implement behavior management policies and procedures as prescribed.
6. Prepare environmental education and recreational curricula and maintain camp equipment as needed.
7. Attend a training period prior to summer camp.
8. Assist with daily site clean-up and end of season clean-up.
9. Assist in the development and maintenance of the grounds and facilities.
10. Maintain a positive working relationship with all co-workers, campers, volunteers, parents, and visitors.
11. Be prepared and on time for scheduled work hours, programs, presentations, and meetings.
12. Maintain First Aid/CPR certifications, and provide first aid care to campers and staff as needed.
13. Check in with the Camp Director on arrival and departure every day.
14. Uphold the personnel policies and procedures of Woldumar Nature Center and represent the organization in a positive, professional manner at all times. Adhere to WNC code of conduct and dress code during working hours.
15. Assist with other duties related to Woldumar's mission as assigned.

DESIRED QUALIFICATIONS & SKILLS:

1. Must be at least 18 years of age by June 10, 2024 and able to pass a comprehensive background check.
2. Ability to develop and implement lessons in environmental and outdoor education.
3. Experience working and/or supervising young people in outdoor and group settings.
4. Background in science, natural history, recreation, childcare, education, interpretation, outdoor education or other related fields.
5. Certified or able to obtain first aid and CPR certification.
6. Specialty skills such as music, crafts, recreation, art, specific area of natural history, and education.
7. Possess a strong dedication to the natural world, and to the education, personal development, and care of young people in a diverse and inclusive community.
8. Physical ability to work outdoors, lead hikes on rough terrain in all weather conditions, and provide first aid/CPR if necessary. Able to lift a minimum of 30 pounds.
9. Responsible, flexible, innovative, friendly, and dedicated to environmental education.

ORIENTATION AND TRAINING:

1. On-the-job training and orientation will be provided on-site by staff.
2. Opportunities for professional development. First Aid/CPR/AED certification training provided.
3. Students may qualify for course credit through an internship or work-study program.

WHO WE ARE:

The Woldumar Nature Association is a 501(c)3 nonprofit organization with a mission “to educate people about the natural environment.” Since 1963, Woldumar has been a resource for area schools, families, and the entire Greater Lansing Community, offering seasonal day camps, field study, and educational community events. We serve over 6000 students each year.

Woldumar protects and restores over 180 acres of ecologically significant green space in southwest Lansing. A working farm before it was generously donated by Gladys Olds Anderson, the property now boasts prairie, pine forest, wetlands, and hardwood forest, bounded by over 1.5 miles of Grand River shoreline. Five miles of hiking trails are open daily to the public.

A community of association members, volunteers, and individual and corporate program sponsors help keep this tremendous local resource available. The nature center is a popular venue for weddings, meetings and conferences, birthday parties, and other social events which help raise funds to support our nonprofit mission.

Woldumar is governed by a board of directors elected by the membership, and operated by a small year-round staff currently consisting of an Executive Director, Program Director, Hospitality Manager and Groundskeeper. During an exciting time of growth for the organization, we strive to continue engaging more people in our existing programs while diversifying our offerings to reach new communities.

DIVERSITY & INCLUSION STATEMENT: Woldumar values a diverse and inclusive community and therefore does not and shall not discriminate on the basis of race, skin color, religion (creed), gender, gender identity or expression, age, national origin (ancestry), disability, marital status, attractional/sexual orientation, or military status, in any of its activities or operations. We are committed to the recruitment, retention, and development of a diverse workforce that represents the Greater Lansing Community.

STAFF VALUES STATEMENT: We are a staff who cares about Woldumar, its members, visitors and customers; the children under our supervision; our fellow staff members; and the work we do. We strive to communicate effectively with each other and our constituents, and maintain an organizational culture of honesty, integrity and compassion. We commit to personal, professional and organizational growth as we share the responsibility of fulfilling Woldumar’s mission: To educate people about the natural environment.

GUIDING PRINCIPLES:

- 1) As staff, board members, volunteers, or members of the association, it is our duty to fulfill the mission, assure good stewardship of the resources we’ve been entrusted with, and raise funds to sustain and grow those efforts.
- 2) Woldumar is more than a park, it is a cause and a community.
- 3) Environmental education and natural areas should attract a diverse constituency.
- 4) Outdoor recreation provides a valuable gateway to conservation ethics and environmental education.
- 5) Spending time in nature is important to one’s physical and psychological well-being.
- 6) Scientific knowledge should uplift, encourage and inspire people.
